

Quiz Corrections

must be stapled to the quiz

1st STEP: Corrections

- A. Write the question # & the entire question (not including the answer choices)
- B. Copy your original answer (not the letter, the actual information)
- C. Add to **or** correct your original answer **attempt to get as much info as possible:*

Comprehensive Definition

Who

What

When

Where

Why

How

Cause & Effect

2nd STEP: Connections

Make a Current Events connection *–this can be from class or one you look up on your own–* by **explaining** who was involved & how it is similar.

3rd STEP: Reflection

- A. In general, describe your efforts leading up to the quiz & explain how that helped or hindered your ability to demonstrate mastery.
- B. Using at least 2 examples from the quiz/test, explain “what went wrong.”
